Hey Kids,

I hope you're all enjoying summer! I was interested to find out about everyone's savings goals! There were a few short-term items like a new tablet and a bunny. But most of you were saving for long-term things like your first cell phone, first car and college. Summer is a great time to add to your savings account by earning money at some summer jobs! I'm going to do some outdoor painting this summer to earn some extra money and maybe I'll set up a lemonade stand with Sheldon and Kiwi too. There are more great summer job ideas on the back to explore! Have a great summer.

Your Friend,

Pee Wee

Did You Know?

Coins last a lot longer than bills...

The life expectancy of a circulating coin is 30 years, while paper money usually only lasts for 18 months.

Now you can see why using Golden dollars instead of dollar bills makes a lot of sense!
