

QUICK GUIDE ON HOW TO USE OUR MOBILE APP

Sign up!

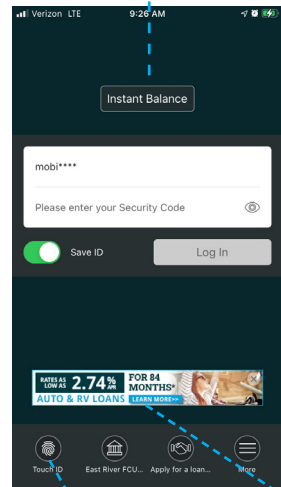

- If you don't already have your online banking account created, go to www.eastriverfcu.com and click on the "Sign Up". Make sure you have **your account number, address and last 4 digits of primary account holder's social security number** which are needed to create an account.
- Follow the on-screen instructions. Make sure to pay attention to characters required for your Login ID and Security Code.

Download the mobile app from your app store!

- Search for "East River FCU Mobile Banking" on either the App Store or Google Play.
- Download the app and follow the on-screen instructions.

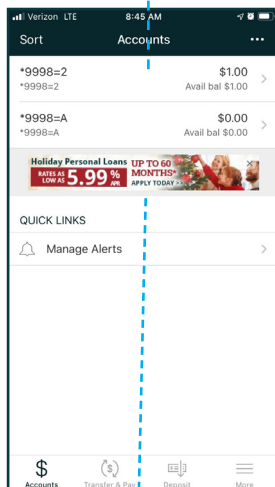

Once you setup "**Instant Balance**" under "**More**" you will have quick access to your account balances

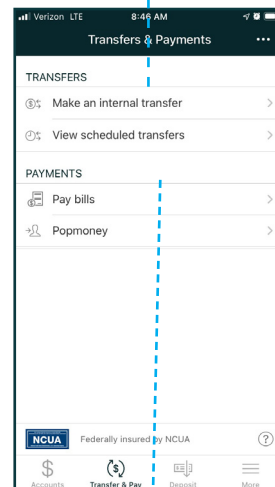

Setup your Touch ID to quickly login with just your fingerprint

Accounts
Lists accounts & allows you to click on the account to see account transactions

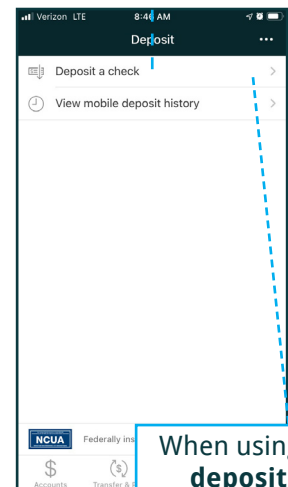

Special promos & information can be accessed by clicking on images

Transfers & Payments
Allows you to make or schedule transfers & view scheduled transfers

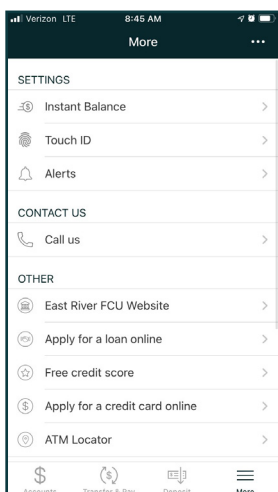

Bill Pay can be accessed here along with **Popmoney** to send money to anyone

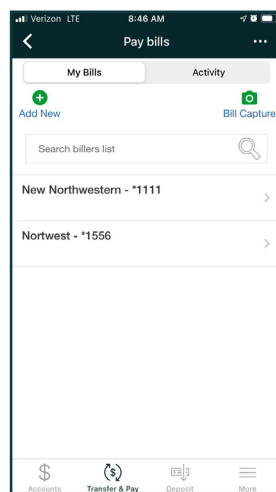

Deposit
Gives access to deposit a check with your device and view mobile deposit history

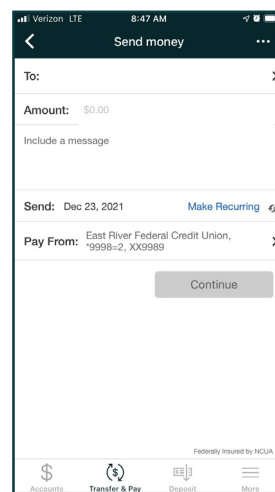

When using **mobile deposit**, make sure you take clear pictures of the check & write: "For mobile deposit only at East River FCU" below your signature

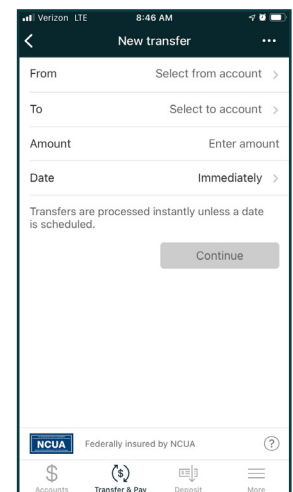

More
Setup for Instant Balance, Touch ID, & Alerts. You can also call us & access links

In **Pay Bills**, you can make a payment, setup a new bill, scan a bill with Bill Capture or check Bill Pay activity

In **Popmoney**, send money to anyone, request money, setup to-do's, view payments, & set preferences

In **Make an Internal Transfer**, you can setup transfers within your accounts to go immediately or on a scheduled date
